ITEM 8.01. OTHER EVENTS

In connection with the commencement of an “at the market” equity offering program (the “ATM Program”), Terreno Realty Corporation (the “Company”) filed with the Securities and Exchange Commission (the “SEC”) a prospectus supplement dated May 31, 2018 (the “Prospectus Supplement”), pursuant to which the Company may issue and sell shares of its common stock having an aggregate offering price of up to \$250,000,000 (the “Shares”), in amounts and at times to be determined by the Company from time to time. The Company has no obligation to sell any of the Shares. Actual sales will depend on a variety of factors to be determined by the Company from time to time, including, among others, market conditions, the trading price of the Company’s common stock, determinations by the Company of the appropriate sources of funding for the Company and potential uses of funding available to the Company. The Company intends to use the net proceeds from the offering of the Shares, if any, for general corporate purposes, which may include future acquisitions and repayment of indebtedness, including borrowings under the Company’s credit facility.

In connection with the offering, the Company entered into separate equity distribution agreements (collectively, the “Distribution Agreements”), each dated May 31, 2018, with each of KeyBanc Capital Markets Inc., Robert W. Baird & Co. Incorporated, BTIG, LLC, Goldman Sachs & Co. LLC, Jefferies LLC, JMP Securities LLC, MUFG Securities Americas Inc., Sandler O’Neill & Partners, L.P. and Stifel, Nicolaus & Company, Incorporated, as sales agents (collectively, the “Sales Agents”). Pursuant to the Distribution Agreements, the Company may issue and sell the Shares from time to time through the Sales Agents, as the Company’s agents for the offer and sale of the Shares, or to them for resale. Sales of Shares, if any, may be made in negotiated transactions, which may include block trades, or transactions that are deemed to be “at the market” offerings as defined in Rule 415 of the Securities Act of 1933, as amended, including sales made directly on the New York Stock Exchange or sales made to or through a market maker other than on an exchange. The Company will pay each of the Sales Agents a commission, which, in each case, will not be more than 2.0% of the gross sales price of Shares sold through such Sales Agent as the Company’s agent under the applicable Distribution Agreement.

The offering of the Shares pursuant to any Distribution Agreement will terminate upon the earlier of (1) the issuance and sale of all of the Shares subject to the Distribution Agreements and (2) the termination of the Distribution Agreement by either the Company or the respective Sales Agent at any time in the respective party’s sole discretion.

The Shares will be issued pursuant to the Prospectus Supplement and the Company’s registration statement on Form S-3 (File No. 333-222960) filed with the SEC on February 9, 2018.

Under the Company’s prior “at the market” equity offering program (the “Prior Program”), for the period from January 1, 2018 through May 31, 2018, the Company issued 2,383,901 shares of common stock, with a weighted average offering price of \$37.26 per share, receiving gross proceeds of \$88.8 million, resulting in the sale of substantially all of the available shares under the Prior Program. This ATM Program replaces the Prior Program.

The foregoing description of the Distribution Agreements is qualified in its entirety by reference to the form of Distribution Agreement filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated herein by reference.

\$250,000,000 of Common Stock

EQUITY DISTRIBUTION AGREEMENT

May 31, 2018

[]

Ladies and Gentlemen:

Terreno Realty Corporation, a Maryland corporation (the "Company"), confirms its agreement (this "Agreement") with [] (the "Agent"), as follows:

SECTION 1. Description of Securities.

The Company agrees that, from time to time during the term of this Agreement, on the terms and subject to the conditions set forth herein, it may issue and sell through the Agent, acting as agent and/or principal, shares (the "Securities") of the Company's common stock, par value \$0.01 per share (the "Common Stock"), having an aggregate sale price of up to \$250,000,000 (the "Maximum Amount"). Notwithstanding anything to the contrary contained herein, the parties hereto agree that compliance with the limitations set forth in this Section 1 regarding the aggregate sale price of the Securities issued and sold under this Agreement shall be the sole responsibility of the Company, and the Agent shall have no obligation in connection with such compliance. The issuance and sale of the Securities through the Agent will be effected pursuant to the Registration Statement (as defined below) filed by the Company with the Securities and Exchange Commission (the "Commission"), although nothing in this Agreement shall be construed as requiring the Company to use the Registration Statement to issue the Securities.

The Company has filed, in accordance with the provisions of the Securities Act of 1933, as amended, and the rules and regulations thereunder (collectively, the "Securities Act"), with the Commission a registration statement on Form S-3 (File No. 333-222960) (the "Original Registration Statement"), which became effective upon filing, including a base prospectus, relating to certain securities, including the Securities to be issued from time to time by the Company, and which incorporates by reference documents that the Company has filed or will file in accordance with the provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (collectively, the "Exchange Act"). The Company has prepared a prospectus supplement specifically relating to the Securities (the "Original Prospectus Supplement") to the base prospectus included as part of the Original Registration Statement. The Company will furnish to the Agent, for use by the Agent, copies of the prospectus included as part of such registration statement, as supplemented by the Prospectus Supplement, relating to the Securities. Except where the context otherwise requires, the "Registration Statement" refers to (i) initially, the Original Registration Statement and (ii) on and after the date on which the Securities may no longer be offered and sold pursuant to the Original Registration Statement, the registration statement, if any, filed by the Company for the purpose of continuing the offering of the Securities following any such date (the "Replacement Registration Statement"), in each case, as amended when it became or becomes effective, including all documents filed as part thereof or incorporated by reference therein, and including any information contained in a Prospectus (as defined below) subsequently filed with the Commission pursuant to Rule 424(b) under the Securities Act or deemed to be a part of such registration statement pursuant to Rule 430B under the Securities Act. Except where the context otherwise requires, the "Prospectus Supplement" refers to (i) initially, the Original Prospectus Supplement and (ii) any prospectus supplement specifically relating to the Securities to the base prospectus included as part of the Replacement Registration Statement, if any. The base prospectus, including all documents incorporated therein by reference, included in the Registration Statement, as it may be supplemented by the Prospectus Supplement, in the form in which such prospectus and/or Prospectus Supplement have most recently been filed by the Company with the Commission pursuant to Rule 424(b) under the Securities Act is herein called the "Prospectus." Any reference herein to the Registration Statement, the Prospectus or any amendment or supplement thereto shall be deemed to refer to and include the documents incorporated by reference therein, and any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement or the Prospectus shall be deemed to refer

to and include the filing after the execution hereof of any document with the Commission deemed to be incorporated by reference therein. For purposes of this Agreement, all references to the Registration Statement, the Prospectus or to any amendment or supplement thereto shall be deemed to include any copy filed with the Commission pursuant to EDGAR.

The Company has also entered into separate equity distribution agreements (the “Alternative Equity Distribution Agreements”), dated of even date herewith, with [], [], [], [], [], [], [] and [] (each, an “Alternative Placement Agent”, and together with the Agent, the “Placement Agents”). The aggregate offering price of the Securities that may be sold pursuant to this Agreement and the Alternative Equity Distribution Agreements shall not exceed the Maximum Amount.

SECTION 2. Placements.

Each time that the Company wishes to issue and sell the Securities hereunder (each, a “Placement”), it will notify the Agent by email notice (or other method mutually agreed to in writing by the parties) containing the parameters in accordance with which it desires the Securities to be sold, which shall at a minimum include the number of Securities to be issued (the “Placement Securities”), the time period during which sales are requested to be made, any limitation on the number of Securities that may be sold in any one day and any minimum price below which sales may not be made (a “Placement Notice”), a form of which containing such minimum sales parameters necessary is attached hereto as Exhibit A. The Placement Notice shall originate from any of the individuals from the Company set forth on Exhibit B (with a copy to each of the other individuals from the Company listed on such schedule), and shall be addressed to each of the individuals from the Agent set forth on Exhibit B, as such Exhibit B may be amended from time to time. If the Agent wishes to accept such proposed terms included in the Placement Notice (which it may decline to do so for any reason in its sole discretion) or, following discussion with the Company, wishes to accept amended terms, the Agent will, prior to 4:30 p.m. New York City time on the Business Day following the Business Day on which such Placement Notice is delivered to the Agent, issue to the Company a notice by email (or other method mutually agreed to in writing by the parties) addressed to all of the individuals from the Company and the Agent set forth on Exhibit B, setting forth the terms that the Agent is willing to accept. Where the terms provided in the Placement Notice are amended as provided for in the immediately preceding sentence, such terms will not be binding on the Company or the Agent until the Company delivers to the Agent an acceptance by email (or other method mutually agreed to in writing by the parties) of all of the terms of such Placement Notice, as amended (the “Acceptance”), which email shall be addressed to all of the individuals from the Company and the Agent set forth on Exhibit B. The Placement Notice (as amended by the corresponding Acceptance, if applicable) shall be effective upon receipt by the Company of the Agent’s acceptance of the terms of the Placement Notice or upon receipt by the Agent of the Acceptance, as the case may be, unless and until (i) the entire amount of the Placement Securities has been sold, (ii) in accordance with the notice requirements set forth in the second sentence of this paragraph, the Company terminates the Placement Notice, (iii) the Company issues a subsequent Placement Notice with parameters superseding those on the earlier dated Placement Notice, (iv) this Agreement has been terminated under the provisions of Section 13 or (v) either party shall have suspended the sale of the Placement Securities in accordance with Section 4 below. The amount of any discount, commission or other compensation to be paid by the Company to the Agent in connection with the sale of the Placement Securities shall be calculated in accordance with the terms set forth in Exhibit C. It is expressly acknowledged and agreed that neither the Company nor the Agent will have any obligation whatsoever with respect to a Placement or any Placement Securities unless and until the Company delivers a Placement Notice to the Agent and either (i) the Agent accepts the terms of such Placement Notice or (ii) where the terms of such Placement Notice are amended, the Company accepts such amended terms by means of an Acceptance pursuant to the terms set forth above, and then only upon the terms specified in the Placement Notice (as amended by the corresponding Acceptance, if applicable) and herein. In the event of a conflict between the terms of this Agreement and the terms of a Placement Notice (as amended by the corresponding Acceptance, if applicable), the terms of the Placement Notice (as amended by the corresponding Acceptance, if applicable) will control.

SECTION 3. Sale of Placement Securities by the Agent.

Subject to the provisions of Section 6(a), the Agent, for the period specified in the Placement Notice, will use its commercially reasonable efforts consistent with its normal trading and sales practices to sell the Placement Securities up to the amount specified, and otherwise in accordance with the terms of such Placement Notice (as amended by the corresponding Acceptance, if applicable). The Agent will provide written confirmation to the Company no later than the opening of the Trading Day (as defined below) immediately following the Trading Day on which it has made sales of Placement Securities hereunder setting forth the number of Placement Securities sold on such day, the compensation payable by the Company to the Agent pursuant to Section 2 with respect to such sales, and the Net Proceeds (as defined below) payable to the Company, with an itemization of the deductions made by the Agent (as set forth in Section 6(b)) from the gross proceeds that it receives from such sales. Subject to the terms of the Placement Notice (as amended by the corresponding Acceptance, if applicable), the Agent may sell Placement Securities by any method permitted by law deemed to be an “at the market” offering as defined in Rule 415 of the Securities Act, including without limitation sales made directly on the NYSE, on any other existing trading market for the Common Stock or to or through a market maker. Subject to the terms of the Placement Notice (as amended by the corresponding Acceptance, if applicable), the Agent may also sell Placement Securities by any other method permitted by law, including but not limited to in privately negotiated transactions. For the purposes hereof, “Trading Day” means any day on which shares of Common Stock are purchased and sold on the NYSE.

SECTION 4. Suspension of Sales.

The Company or the Agent may, upon notice to the other party in writing (including by email correspondence to each of the individuals of the other party set forth on Exhibit B, if receipt of such correspondence is actually acknowledged by any of the individuals to whom the notice is sent, other than via auto-reply) or by telephone (confirmed immediately by verifiable facsimile transmission or email correspondence to each of the individuals of the other party set forth on Exhibit B), suspend any sale of Placement Securities; *provided, however*, that such suspension shall not affect or impair either party’s obligations with respect to any Placement Securities sold hereunder prior to the receipt of such notice. Each of the parties agrees that no such notice under this Section 4 shall be effective against the other unless it is made to one of the individuals named on Exhibit B hereto, as such Exhibit B may be amended from time to time.

SECTION 5. Representations and Warranties.

(a) *Representations and Warranties by the Company.* The Company represents and warrants to the Agent as of the date hereof and as of each Representation Date (as defined below) on which a certificate is required to be delivered pursuant to Section 7(n) of this Agreement, as of each Applicable Time and as of each Settlement Date (as defined below), and agrees with the Agent, as follows:

(1) Compliance with Registration Requirements. The Securities have been duly registered under the Securities Act pursuant to the Registration Statement. The Registration Statement became effective under the Securities Act, or, with respect to any registration statement to be filed to register the offer and sale of the Securities pursuant to Rule 462(b) under the Securities Act (a “Rule 462(b) Registration Statement”), will be filed with the Commission and become effective under the Securities Act no later than 10:00 p.m., New York City time, on the date of determination of the public offering price for the Securities, and no stop order preventing or suspending the use of any base prospectus, the Prospectus Supplement, the Prospectus or any Permitted Free Writing Prospectus, or the effectiveness of the Registration Statement or any Rule 462(b) Registration Statement and no proceedings for such purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission to the Company for additional information has been complied with.

At the respective times each of the Registration Statement, any Rule 462(b) Registration Statement and any post-effective amendments thereto became or becomes effective and as of the date hereof, the Registration Statement, any Rule 462(b) Registration Statement and any amendments and supplements thereto complied and will comply in all material respects with the requirements of the Securities Act. The conditions for the use of Form S-3, as set forth in the General Instructions thereto, and the Registration Statement meets, and the offering and sale of the Securities as contemplated hereby complies with, the requirements of Rule 415 under the Securities Act (including, without limitation, Rule 415(a)(5)). The Registration Statement, as of the date hereof and each effective date with respect thereto, did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the

statements therein not misleading. Neither the Prospectus nor any amendments or supplements thereto, as of their respective dates, and at each Applicable Time and Settlement Date, as the case may be, included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The representations and warranties set forth in the immediately preceding paragraph shall not apply to statements in or omissions from the Registration Statement or the Prospectus, as amended or supplemented, made in reliance upon and in conformity with information furnished to the Company in writing by the Agent expressly for use therein. For purposes of this Agreement, the only information so furnished shall be the Agent's name and the last sentence of the first paragraph under "Plan of Distribution" in the Prospectus Supplement (the "Agent Information").

The copies of the Registration Statement and any Rule 462(b) Registration Statement and any amendments thereto, any other preliminary prospectus, each Issuer Free Writing Prospectus that is required to be filed with the Commission pursuant to Rule 433 and the Prospectus and any amendments or supplements thereto delivered and to be delivered to the Agent (electronically or otherwise) in connection with the offering of the Securities were and will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

Each Issuer Free Writing Prospectus relating to the Securities, as of its issue date and as of each Applicable Time and Settlement Date, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or the Prospectus, including any incorporated document deemed to be a part thereof that has not been superseded or modified, or when considered together with the Prospectus, including any incorporated document deemed to be a part thereof that has not been superseded or modified, included, includes or will include an untrue statement of a material fact or omitted, omits or will omit to state a material fact necessary in order to make the statements therein, in light of the circumstances, prevailing at that subsequent time, not misleading. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by the Agent specifically for use therein.

At the time of filing the Original Registration Statement, at the time of filing any Replacement Registration Statement that is an "automatic shelf registration statement" as defined in Rule 405 of the Securities Act ("Rule 405"), at the time of the most recent amendment to the Original Registration Statement or any such Replacement Registration Statement for the purposes of complying with Section 10(a)(3) of the Securities Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Exchange Act or form of prospectus) and at the date hereof, the Company was and is a "well-known seasoned issuer" as defined in Rule 405 of the Securities Act, including not having been and not being an "ineligible issuer," as defined in Rule 405 of the Securities Act; and, without limitation to the foregoing, the Company has at all relevant times met, meets and will at all relevant times meet the requirements of Rule 164 for the use of a free writing prospectus (as defined in Rule 405) in connection with the offering contemplated hereby.

Each document incorporated by reference in the Registration Statement or the Prospectus heretofore filed, when it was filed (or, if any amendment with respect to any such document was filed, when such amendment was filed), conformed in all material respects with the requirements of the Exchange Act, and any further documents so filed and incorporated after the date of this Agreement will, when they are filed, conform in all material respects with the requirements of the Exchange Act; no such document when it was filed (or, if an amendment with respect to any such document was filed, when such amendment was filed), contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading; and no such document, when it is filed, will contain an untrue statement of a material fact or will omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading.

(2) Independent Accountants. Ernst & Young LLP, who have certified certain financial statements of the Company and its subsidiaries and certain of their acquired properties, and have audited the Company's internal control over financial reporting, are independent public accountants as required by the Securities Act and the rules and regulations of the Commission thereunder.

(3) No Material Adverse Change in Business. Neither the Company nor any of its subsidiaries has sustained since the date of the latest audited financial statements included or incorporated by reference in the Prospectus any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree that would, individually or in the aggregate, have a Material Adverse Effect (as defined below), otherwise than as set forth or contemplated in the Prospectus; and, since the respective dates as of which information is given in the Registration Statement and the Prospectus, there has not been any change in the capital stock of the Company or any of its subsidiaries (except for (i) subsequent issuances, if any, pursuant to (A) this Agreement or the Alternative Equity Distribution Agreements, (B) reservations, agreements, employee stock incentive plans or long-term incentive plans referred to in the Registration Statement, any Issuer Free Writing Prospectus or the Prospectus, or (C) unregistered issuances not required to be disclosed pursuant to the Exchange Act, the Securities Act or any regulation promulgated thereunder and (ii) any shares forfeited or surrendered to the Company pursuant to employee stock-incentive plans, long-term incentive plan or agreements referred to in the Registration Agreement) or material change in the long term debt of the Company or any of its subsidiaries (except for borrowings under the Company's Existing Credit Agreement (as may be amended from time to time and referred to in the Registration Statement, any Issuer Free Writing Prospectus or the Prospectus)) or any material adverse change, or any development involving a prospective material adverse change, in or affecting the general affairs, management, financial position, stockholders' equity or results of operations of the Company and its subsidiaries taken together (a "Material Adverse Effect"), otherwise than as set forth or contemplated in the Prospectus.

(4) Good Standing. The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Maryland, with power and authority (corporate and other) to own its properties and conduct its business as described in the Prospectus, and has been duly qualified as a foreign corporation for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, have a Material Adverse Effect. Exhibit D hereto sets forth a complete and accurate list of each "significant subsidiary" (as defined in Rule 1-02 of Regulation S-X) of the Company; each significant subsidiary has been duly incorporated or formed and is validly existing as a corporation or other business entity in good standing under the laws of its jurisdiction of incorporation or formation, and has been duly qualified as a foreign corporation or other business entity for the transaction of business and is in good standing under the laws of each other jurisdiction in which it owns or leases properties or conducts any business so as to require such qualification, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, have a Material Adverse Effect.

(5) Capitalization. The Company has an authorized capitalization as set forth in the Prospectus and all of the issued and outstanding shares of capital stock of the Company have been duly and validly authorized and issued and are fully paid and non-assessable and conform to the description of the Securities contained in the Prospectus; and all of the issued equity interests of each subsidiary of the Company have been duly and validly authorized and issued, are fully paid and non-assessable and are owned directly or indirectly by the Company, free and clear of all liens, encumbrances, equities or claims, except for those granted or to be granted in connection with the Existing Credit Agreement, as may be amended from time to time.

(8) Absence of Conflicts. The issue and sale of the Securities and the compliance by the Company with this Agreement and the consummation of the transactions herein contemplated will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject, (ii) result in any violation of the provisions of the Amended and Restated Articles of Incorporation, as amended or supplemented, or the Amended and Restated Bylaws of the Company, as amended, or (iii) result in any violation of any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their respective properties except in the case of (i) or (iii), such as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Securities or the consummation by the Company of the transactions contemplated by this Agreement, except such as have been obtained under the Securities Act and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or blue sky laws or the rules of FINRA in connection with this Agreement.

(9) Absence of Defaults. Neither the Company nor any of its subsidiaries is in violation of its articles of incorporation, bylaws or other organizational documents, in each case as amended or supplemented, or in default in the performance or observance of any obligation, agreement, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which it is a party or by which it or any of its properties may be bound, except for such violations or defaults that would not, individually or in the aggregate, have a Material Adverse Effect.

(10) Absence of Proceedings. Other than as set forth in the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject which, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a Material Adverse Effect; and, to the best of the Company’s knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others.

(11) Title to Property. The Company and its subsidiaries have good and marketable title in fee simple to all real property owned by them and good and marketable title to all personal property owned by them, in each case free and clear of all liens, encumbrances and defects except such as are described in the Prospectus or such as would not reasonably be expected to materially affect the value of such property and would not reasonably be expected to materially interfere with the use made and proposed to be made of such property by the Company or any of its subsidiaries; and any real property and buildings held under lease by the Company or any of its subsidiaries are held by it under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company or any of its subsidiaries.

(12) Investment Company Act. The Company is not and, after giving effect to the offering and sale of the Securities and the application of the proceeds thereof, will not be an “investment company”, as such term is defined in the Investment Company Act of 1940, as amended.

(13) Environmental Laws. Other than as set forth in the Prospectus, neither the Company nor any of its subsidiaries has any knowledge of any of the following which would be expected to have a Material Adverse Effect: (1) the unlawful presence of any hazardous substances, hazardous materials, toxic substances or waste materials (collectively, “Hazardous Materials”) on any of the properties currently

owned by it or any of the properties previously owned by it for which it retains any liability with respect to Hazardous Materials or (2) any unlawful spills, releases, discharges or disposal of Hazardous Materials that have occurred or are presently occurring off such properties as a result of any construction on or operation and use of such properties. In connection with the construction on or operation and use of the properties owned by the Company or any of its subsidiaries, the Company represents that it has no knowledge of any material failure to comply with all applicable local, state and federal environmental laws, regulations, ordinances and administrative and judicial orders relating to the generation, recycling, reuse, sale, storage, handling, transport and disposal of any Hazardous Materials.

(14) NYSE. The Securities to be sold hereunder will have been approved for listing on the NYSE, subject only to official notice of issuance.

(15) Insurance. The Company and its subsidiaries carry or are entitled to the benefits of insurance, with reputable and financially sound insurers, in such amounts and covering such risks as are adequate in accordance with reasonable business judgment to protect the Company and its subsidiaries and their businesses, and all such insurance is in full force and effect. The Company has no reason to believe that either it or any of its subsidiaries will not be able (A) to renew its existing insurance coverage as and when such policies expire or (B) to obtain comparable coverage from similar institutions as may be necessary or appropriate to conduct its business as now conducted and at a cost that would not result in a Material Adverse Effect. Neither the Company nor any of its subsidiaries has been denied any insurance coverage which it has sought or for which it has applied.

(16) Accounting Controls and Disclosure Controls. The Company maintains a system of internal control over financial reporting (as such term is defined in Rule 13a-15(f) under the Exchange Act) that complies with the requirements of the Exchange Act and has been designed by the Company's principal executive officer and principal financial officer, or under their supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The Company's internal control over financial reporting is effective and the Company is not aware of any material weaknesses in its internal control over financial reporting.

Since the date of the latest audited financial statements included or incorporated by reference in the Prospectus, there has been no change in the Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

The Company maintains disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Exchange Act) that comply with the requirements of the Exchange Act; such disclosure controls and procedures have been designed to ensure that material information relating to the Company is made known to the Company's principal executive officer and principal financial officer by others within the Company; and such disclosure controls and procedures are effective in all material respects.

(17) Actively Traded Security. The Common Stock is an "actively traded security" excepted from the requirements of Rule 101 of Regulation M under the Exchange Act by subsection (c)(1) of such rule.

(18) Absence of Manipulation. Other than excepted activity pursuant to Regulation M under the Exchange Act, the Company has not taken and will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in the stabilization or manipulation of the price of any security to facilitate the sale or resale of the Securities.

(19) Statistical or Market-Related Data. The statistical and market-related data included in the Registration Statement, the Prospectus and any Issuer Free Writing Prospectus are based on or derived from sources that the Company believes to be reliable and accurate.

(20) Related Party Matters. No relationship, direct or indirect, exists between or among the Company or any of its subsidiaries, on the one hand, and the directors, officers or stockholders of the Company or any of its subsidiaries, on the other hand, which is required by the rules of FINRA to be described in the Registration Statement or the Prospectus which is not so described. Neither the Company nor any of its subsidiaries has, directly or indirectly, extended credit, arranged to extend credit, or renewed any extension of credit, in the form of a personal loan, to or for any director or executive officer of the Company or any of its subsidiaries, or to or for any family member or affiliate of any director or executive officer of the Company or any of its subsidiaries.

(21) Proprietary Trading by the Agent. The Company acknowledges and agrees that the Agent has informed the Company that the Agent may, to the extent permitted under the Securities Act and the Exchange Act, purchase and sell shares of Common Stock for its own account while this Agreement is in effect, and shall be under no obligation to purchase Securities on a principal basis pursuant to this Agreement, except as otherwise agreed by the Agent in a separate agreement; *provided, however*, that no such purchase or sales shall take place while a Placement Notice is in effect (except (i) as agreed by the Agent in the Placement Notice (as amended by the corresponding Acceptance, if applicable) or (ii) to the extent the Agent may engage in sales of Placement Securities purchased or deemed purchased from the Company as a “riskless principal” or in a similar capacity).

(22) REIT Status. The Company, commencing with the taxable year ended December 31, 2010, is and, subject to any future determination by the Company’s board of directors that it is no longer in the best interests of the Company and its stockholders to qualify as a REIT (as defined below), will continue to be thereafter, organized and operated in conformity with the requirements for qualification and taxation as a “real estate investment trust” (a “REIT”) under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended (the “Code”). The method of operation of the Company as described in the Registration Statement and the Prospectus will enable the Company to continue to meet the requirements for qualification and taxation as a REIT under the Code. The Company intends to continue to operate in a manner which would permit it to continue to meet the requirements for qualification and taxation as a REIT under the Code.

(23) Absence of Changes. The Company has no present plan or intention to materially alter its investment policies as described in the Registration Statement, the Prospectus and any Issuer Free Writing Prospectus.

(b) Certificates. Any certificate signed by any officer of the Company or any of its subsidiaries and delivered to the Agent or to counsel for the Agent shall be deemed a representation and warranty by the Company to the Agent as to the matters covered thereby.

SECTION 6. Sale and Delivery to the Agent; Settlement.

(a) Sale of Placement Securities. On the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, upon the Agent’s acceptance of the terms of a Placement Notice or upon receipt by the Agent of an Acceptance, as the case may be, and unless the sale of the Placement Securities described therein has been declined, suspended, or otherwise terminated in accordance with the terms of this Agreement, the Agent, for the period specified in the Placement Notice (as amended by the corresponding Acceptance, if applicable), will use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such Placement Securities up to the amount specified, and otherwise in accordance with the terms of such Placement Notice (as amended by the corresponding Acceptance, if applicable). The Company acknowledges and agrees that (i) there can be no assurance that the Agent will be successful in selling Placement Securities, (ii) the Agent will incur no liability or obligation to the Company or any other person or entity if it does not sell Placement Securities for any reason other than a failure by the Agent to use its commercially reasonable efforts consistent with its normal trading and sales practices to sell such Placement Securities as required under this Section 6 and (iii) the Agent shall be under no obligation to purchase Securities on a principal basis pursuant to this Agreement, except as otherwise agreed by the Agent in a separate agreement (as amended by the corresponding Acceptance, if applicable).

(b) *Settlement of Placement Securities.* Unless otherwise specified in the applicable Placement Notice (as amended by the corresponding Acceptance, if applicable), settlement for sales of Placement Securities will occur on the second (2nd) Trading Day following the date on which such sales are made, unless an earlier day becomes industry practice for regular way trading (each, a “Settlement Date”). The amount of proceeds to be delivered to the Company on a Settlement Date against receipt of the Placement Securities sold (the “Net Proceeds”) will be equal to the aggregate sales price received by the Agent at which such Placement Securities were sold, after deduction for (i) the Agent’s commission, discount or other compensation for such sales payable by the Company pursuant to Section 2 hereof, (ii) any other amounts due and payable by the Company to the Agent hereunder pursuant to Section 8(a) hereof and (iii) any transaction fees imposed by any governmental or self-regulatory organization in respect of such sales.

(c) *Delivery of Placement Securities.* On or before each Settlement Date, the Company will, or will cause its transfer agent to, electronically transfer the Placement Securities being sold by crediting the Agent’s or its designee’s account (provided the Agent shall have given the Company written notice of such designee prior to the Settlement Date) at The Depository Trust Company through its Deposit and Withdrawal at Custodian System or by such other means of delivery as may be mutually agreed upon by the parties hereto which in all cases shall be freely tradable, transferable, registered shares in good deliverable form. On each Settlement Date, the Agent will deliver the related Net Proceeds in same day funds to an account designated by the Company on, or prior to, the Settlement Date. The Company agrees that if the Company, or its transfer agent (if applicable), defaults in its obligation to deliver Placement Securities on a Settlement Date, the Company agrees that in addition to and in no way limiting the rights and obligations set forth in Section 10(a) hereto, it will (i) hold the Agent harmless against any loss, liability, claim, damage, or expense whatsoever (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Company or its transfer agent and (ii) pay to the Agent any commission, discount, or other compensation to which it would otherwise have been entitled absent such default.

(d) *Denominations; Registration.* Certificates for the Securities shall be in such denominations and registered in such names as the Agent may request in writing at least one full Business Day before the Settlement Date. The certificates for the Securities will be made available for examination and packaging by the Agent in The City of New York not later than noon New York City time on the Business Day prior to the Settlement Date. The Company shall deliver the Securities, if any, through the facilities of The Depository Trust Company unless the Agent shall otherwise instruct.

(e) *Limitations on Offering Size.* Under no circumstances shall the Company cause or request the offer or sale of any Securities, if after giving effect to the sale of such Securities, the aggregate offering price of the Securities sold pursuant to this Agreement would exceed the lesser of (A) together with all sales of Securities under this Agreement and the Alternative Equity Distribution Agreements, the Maximum Amount, (B) the amount available for offer and sale under the currently effective Registration Statement, and (C) the amount authorized from time to time to be issued and sold under this Agreement by the Company and notified to the Agent in writing. Under no circumstances shall the Company cause or request the offer or sale of any Securities pursuant to this Agreement at a price lower than the minimum price authorized from time to time by the Company and notified to the Agent in writing. Further, under no circumstances shall the aggregate offering price of Securities sold pursuant to this Agreement and the Alternative Equity Distribution Agreements, including any separate underwriting or similar agreement covering principal transactions described in Section 1 of this Agreement and the Alternative Equity Distribution Agreements, exceed the Maximum Amount.

(f) The Company agrees that any offer to sell, any solicitation of an offer to buy or any sales of Securities shall only be effected by or through only one of the Agent or an Alternative Placement Agent on any single given day (subject to the exceptions set forth in Section 7(j) below), but in no event more than one, and the Company shall in no event request that the Agent and the Alternative Placement Agents sell Securities on the same day.

(g) Notwithstanding any other provision of this Agreement, the Company shall not offer, sell or deliver, or request the offer or sale of, any Securities and, by notice to the Agent given by telephone (confirmed promptly by facsimile transmission or email), shall cancel any instructions for the offer or sale of any Securities, and the Agent shall not be obligated to offer or sell any Securities, (i) during any period in which the Company is, or could be deemed to be, in possession of material non-public information, or (ii) during the period beginning on the

earlier of (A) the 15th Business Day after the end of each fiscal year or fiscal quarter of the Company and (B) the 14th day prior to the date (each, an “Announcement Date”) on which the Company shall issue or make a press release containing, or public announcement of, its earnings, revenues or other results of operations for such fiscal year or fiscal quarter (each, an “Earnings Announcement”), and ending on the time that is 24 hours after the Company’s Annual Report on Form 10-K or Quarterly Report on Form 10-Q for such fiscal year or quarter, as applicable, is filed with the Commission (each, a “Filing Time”).

(h) If the Company wishes to offer, sell or deliver Securities at any time during the period from and including an Announcement Date through and including the time that is 24 hours after the corresponding Filing Time, the Company shall (i) prepare and deliver to the Agent (with a copy to its counsel) a Current Report on Form 8-K which shall include substantially the same financial and related information as was set forth in the relevant Earnings Announcement (other than any earnings projections, similar forward-looking data and officers’ quotations) (each, an “Earnings 8-K”), in form and substance reasonably satisfactory to the Agent, and obtain the consent of the Agent to the filing thereof (such consent not to be unreasonably withheld), (ii) provide the Agent with the officers’ certificate, opinions/letters of counsel and accountants’ letter called for by Sections 7(n), (o), (p) and (q) respectively, (iii) afford the Agent the opportunity to conduct a due diligence review in accordance with Section 7(l) and (iv) file such Earnings 8-K with the Commission, then the provisions of clause (ii) of Section 6(g) shall not be applicable for the period from and after the time at which the foregoing conditions shall have been satisfied (or, if later, the time that is 24 hours after the time that the relevant Earnings Announcement was first publicly released) through and including the time that is 24 hours after the Filing Time of the relevant Quarterly Report on Form 10-Q or Annual Report on Form 10-K under the Exchange Act, as the case may be. For purposes of clarity, the parties hereto agree that (A) the delivery of any officers’ certificate, opinions/letters of counsel and accountants’ letter pursuant to this Section 6(h) shall not relieve the Company from any of its obligations under this Agreement with respect to any Quarterly Report on Form 10-Q or Annual Report on Form 10-K, as the case may be, including, without limitation, the obligation to deliver officers’ certificates, opinions/letters of counsel and accountants’ letters as provided in Section 7 and (B) this Section 6(h) shall in no way affect or limit the operation of the provisions of clause (i) of Section 6(g), which shall have independent application.

(i) At each Applicable Time, Settlement Date, Registration Statement Amendment Date (as defined in the following sentence), the date on which the Company files with the Commission an annual report on Form 10-K or a quarterly report on Form 10-Q, or on any date the Agent may so request (provided that the Agent shall not make such a request during any period that the Company is not and will not be selling any Securities), the Company shall be deemed to have affirmed each representation and warranty contained in this Agreement. “Registration Statement Amendment Date” shall mean each date the Registration Statement or the Prospectus shall be amended or supplemented (other than (1) by an amendment or supplement providing solely for the determination of the terms of the Securities, (2) in connection with the filing of a prospectus supplement that contains solely the information with regard to the number of Securities sold through the Agent under this Agreement, the Net Proceeds received by the Company and the compensation paid by the Company to the Agent with respect to sales of Securities pursuant to this Agreement in an Annual Report on Form 10-K or Quarterly Report on Form 10-Q filed by the Company in respect of any quarter in which sales of Securities were made through the Agent under this Agreement, (3) in connection with the filing of any current reports on Form 8-K (other than an Earnings 8-K and any other current reports on Form 8-K which contain capsule financial information, financial statements, supporting schedules or other financial data, including any current report on Form 8-K under Item 2.02 of such form that is considered “filed” under the 1934 Act) or (4) by a prospectus supplement relating to the offering of other securities (including, without limitation, other shares of Common Stock)). Any obligation of the Agent to use its commercially reasonable efforts to sell the Securities on behalf of the Company as sales agent shall be subject to the continuing accuracy of the representations and warranties of the Company herein, to the performance by the Company of its obligations hereunder and to the continuing satisfaction of the additional conditions specified in Section 6 of this Agreement.

SECTION 7. Covenants of the Company. The Company covenants with the Agent as follows:

(a) *Registration Statement Amendments; Payment of Fees.* After the date of this Agreement and during any period in which a Prospectus relating to any Placement Securities is required to be delivered by the Agent under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), (i) the Company will notify the Agent promptly of the time when any subsequent amendment to the Registration Statement, other than documents incorporated by reference, has been

filed with the Commission and/or has become effective or any subsequent supplement to the Prospectus has been filed and of any comment letter from the Commission or any request by the Commission for any amendment or supplement to the Registration Statement or Prospectus or for additional information; (ii) the Company will prepare and file with the Commission, promptly upon the Agent's request, any amendments or supplements to the Registration Statement or Prospectus that, in the Agent's reasonable opinion, may be necessary or advisable in connection with the distribution of the Placement Securities by the Agent (*provided, however*, that the failure of the Agent to make such request shall not relieve the Company of any obligation or liability hereunder, or affect the Agent's right to rely on the representations and warranties made by the Company in this Agreement); (iii) the Company will not file any amendment or supplement to the Registration Statement or Prospectus, other than documents incorporated by reference, relating to the Placement Securities or a security convertible into the Placement Securities unless a copy thereof has been submitted to the Agent within a reasonable period of time before the filing and the Agent has not reasonably objected thereto (unless the Company's legal counsel has advised the Company that filing such document is required by law) (*provided, however*, that the failure of the Agent to make such objection shall not relieve the Company of any obligation or liability hereunder, or affect the Agent's right to rely on the representations and warranties made by the Company in this Agreement) and the Company will furnish to the Agent at the time of filing thereof a copy of any document that upon filing is deemed to be incorporated by reference into the Registration Statement or Prospectus, except for those documents available via EDGAR; and (iv) the Company will cause each amendment or supplement to the Prospectus, other than documents incorporated by reference, to be filed with the Commission as required pursuant to the applicable paragraph of Rule 424(b) of the Securities Act (without reliance on Rule 424(b)(8) of the Securities Act).

(b) *Notice of Commission Stop Orders.* The Company will advise the Agent, promptly after it receives notice or obtains knowledge thereof, of the issuance or threatened issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any other order preventing or suspending the use of the Prospectus or any Issuer Free Writing Prospectus, or of the suspension of the qualification of the Placement Securities for offering or sale in any jurisdiction or of the loss or suspension of any exemption from any such qualification, or of the initiation or threatening of any proceedings for any of such purposes, or of any examination pursuant to Section 8(e) of the Securities Act concerning the Registration Statement or if the Company becomes the subject of a proceeding under Section 8A of the Securities Act in connection with the offering of the Securities. The Company will make every reasonable effort to prevent the issuance of any stop order, the suspension of any qualification of the Securities for offering or sale and any loss or suspension of any exemption from any such qualification, and if any such stop order is issued or any such suspension or loss occurs, to obtain the lifting thereof at the earliest possible moment.

(c) *Delivery of Registration Statement and Prospectus.* The Company will furnish to the Agent and its counsel (at the expense of the Company) copies of the Registration Statement, the Prospectus (including all documents incorporated by reference therein) and all amendments and supplements to the Registration Statement or Prospectus, and any Issuer Free Writing Prospectuses, that are filed with the Commission during any period in which a Prospectus relating to the Placement Securities is required to be delivered under the Securities Act (including all documents filed with the Commission during such period that are deemed to be incorporated by reference therein), in each case as soon as reasonably practicable and in such quantities and at such locations as the Agent may from time to time reasonably request; *provided, however*, that the Company shall not be required to furnish any document (other than the Prospectus) to the Agent to the extent such document is available on EDGAR. The copies of the Registration Statement and the Prospectus and any supplements or amendments thereto furnished to the Agent will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(d) *Continued Compliance with Securities Laws.* If at any time when a Prospectus is required by the Securities Act or the Exchange Act to be delivered in connection with a pending sale of the Placement Securities (including, without limitation, pursuant to Rule 172), any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Agent or for the Company, to amend the Registration Statement or amend or supplement the Prospectus in order that the Prospectus will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of such counsel, at any such time to amend the Registration Statement or amend or supplement the Prospectus in order to comply with the requirements of the Securities Act, the Company will promptly notify the

Agent to suspend the offering of Placement Securities during such period and the Company will promptly prepare and file with the Commission such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement or the Prospectus comply with such requirements, and the Company will furnish to the Agent such number of copies of such amendment or supplement as the Agent may reasonably request. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted, conflicts or would conflict with the information contained in the Registration Statement or the Prospectus or included, includes or would include an untrue statement of a material fact or omitted, omits or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances, prevailing at that subsequent time, not misleading, the Company will promptly notify the Agent to suspend the offering of Placement Securities during such period and the Company will, subject to Section 7(a) hereof, promptly amend or supplement such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(e) *Blue Sky and Other Qualifications.* The Company will promptly from time to time take such action as the Agent may reasonably request to qualify the Placement Securities for offering and sale under the securities laws of such jurisdictions as the Agent may request and comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of the Securities, provided that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction.

(f) *Rule 158.* The Company will timely file such reports pursuant to the Exchange Act as are necessary in order to make generally available to its securityholders as soon as practicable an earnings statement for the purposes of, and to provide to the Agent the benefits contemplated by, the last paragraph of Section 11(a) of the Securities Act.

(g) *Use of Proceeds.* The Company will use the Net Proceeds received by it from the sale of the Securities in the manner specified in the Prospectus under "Use of Proceeds."

(h) *Listing.* During any period in which the Prospectus relating to the Placement Securities is required to be delivered by the Agent under the Securities Act with respect to a pending sale of the Placement Securities (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), the Company will use its best efforts to cause the Placement Securities to be listed on the NYSE, subject only to notice of issuance, and will use its best efforts to maintain such listing.

(i) *Reporting Requirements.* The Company, during any period when the Prospectus is required to be delivered under the Securities Act and the Exchange Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), will file all documents required to be filed with the Commission pursuant to the Exchange Act within the time periods required by the Exchange Act.

(j) *Notice of Other Sales.* From the time the Company issues a Placement Notice until the settlement for sales of all Placement Securities remaining under such Placement Notice (as amended by the corresponding Acceptance, if applicable), the Company will not, without (i) giving the Agent at least two (2) Business Days' prior written notice specifying the nature of the proposed sale and the date of such proposed sale and (ii) the Agent suspending activity under this program for such period of time as requested by the Company or as deemed appropriate by the Agent in light of the proposed sale, (A) offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise transfer or dispose of, directly or indirectly, or file with the Commission a registration statement under the Securities Act relating to, except as provided hereunder, any securities of the Company that are substantially similar to the Securities, including but not limited to any options or warrants to purchase shares of Common Stock or any securities that are convertible into or exchangeable for, or that represent the right to receive, Common Stock or any such substantially similar securities or publicly disclose the intention to make any offer, sale, pledge, disposition or filing, or (B) enter into any swap or other agreement or any transaction that transfers in whole or in part, directly or indirectly, any of the economic consequences of ownership of the Common Stock, or any securities convertible into or exchangeable or exercisable for or repayable with Common Stock, whether any such swap or transaction described in clause (A) or (B) above is to be settled by delivery of Common Stock or such other securities, in cash or otherwise (other than (x) the Common Stock to be offered and sold through the Agent or any Alternative Placement Agent pursuant to this Agreement, any Alternative Equity

Distribution Agreement or any terms agreement, (y) pursuant to employee stock incentive plans or long-term incentive plans described in the Prospectus, or upon the conversion or exchange of convertible or exchangeable securities outstanding as of the date of this Agreement or (z) issuances of up to \$5,000,000 of Common Stock in the aggregate in connection with property acquisitions provided that the recipient of such Common Stock agrees to be bound in writing by the restrictions set forth in this paragraph).

(k) *Change of Circumstances.* The Company will, at any time during a fiscal quarter in which the Company intends to tender a Placement Notice or sell Placement Securities, advise the Agent promptly after it shall have received notice or obtained knowledge thereof, of any information or fact that would alter or affect in any material respect any opinion, certificate, letter or other document provided to the Agent pursuant to this Agreement.

(l) *Due Diligence Cooperation.* The Company will cooperate with any reasonable due diligence review conducted by the Agent or its agents in connection with the transactions contemplated hereby, including, without limitation, providing information and making available documents and senior officers, during regular business hours and at the Company's principal offices, as the Agent may reasonably request.

(m) *Disclosure of Sales.* The Company will disclose in its quarterly reports on Form 10-Q and in its annual report on Form 10-K the number of Placement Securities sold through the Agent and any Alternative Placement Agent, the Net Proceeds to the Company and the compensation payable by the Company to the Agent and any Alternative Placement Agent with respect to such Placement Securities.

(n) *Representation Dates; Certificate.* On or prior to the date that the first Securities are sold pursuant to the terms of this Agreement or any Alternative Equity Distribution Agreement and:

(1) each time the Company:

(i) files the Prospectus relating to the Placement Securities or amends or supplements the Registration Statement or the Prospectus relating to the Placement Securities by means of a post-effective amendment, sticker, or supplement but not by means of incorporation of documents by reference into the Registration Statement or the Prospectus relating to the Placement Securities;

(ii) files an annual report on Form 10-K under the Exchange Act;

(iii) files a quarterly report on Form 10-Q under the Exchange Act; or

(iv) files a report on Form 8-K containing amended financial information (other than an earnings release, to "furnish" information pursuant to Items 2.02 or 7.01 of Form 8-K or to provide disclosure pursuant to Item 8.01 of Form 8-K relating to the reclassifications of certain properties as discontinued operations in accordance with Statement of Financial Accounting Standards No. 144) under the Exchange Act; and

(2) at any other time reasonably requested by the Agent (each such date of filing of one or more of the documents referred to in clauses (1)(i) through (iv) and any time of request pursuant to this Section 7(n) shall be a "Representation Date"),

the Company shall furnish the Agent with a certificate, in the form attached hereto as Exhibit F within three (3) Trading Days of any Representation Date. The requirement to provide a certificate under this Section 7(n) shall be waived for any Representation Date occurring at a time at which no Placement Notice (as amended by the corresponding Acceptance, if applicable) is pending, which waiver shall continue until the earlier to occur of the date the Company delivers a Placement Notice hereunder (which for such calendar quarter shall be considered a Representation Date) and the next occurring Representation Date. Notwithstanding the foregoing, if the Company subsequently decides to sell Placement Securities following a Representation Date when the Company relied on such waiver and did not provide the Agent with a certificate under this Section 7(n), then before the Company delivers the Placement Notice or the Agent sells any Placement Securities, the Company shall provide the Agent with a certificate, in the form attached hereto as Exhibit F, dated the date of the Placement Notice.

(o) *Company Counsel Legal Opinion.* On or prior to the date that the first Securities are sold pursuant to the terms of this Agreement, and within three (3) Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit F for which no waiver is applicable, the Company shall cause to be furnished to the Agent the written opinions of Goodwin Procter LLP (“Company Counsel”), or other counsel satisfactory to the Agent, in form and substance satisfactory to the Agent and its counsel, dated the date that the opinions are required to be delivered, substantially similar to the forms attached hereto as Exhibit E, modified, as necessary, to relate to the Registration Statement and the Prospectus as then amended or supplemented; *provided, however*, that in lieu of such opinions for subsequent Representation Dates, counsel may furnish the Agent with a letter (a “Reliance Letter”) to the effect that the Agent may rely on a prior opinion delivered under this Section 7(o) to the same extent as if it were dated the date of such letter (except that statements in such prior opinion shall be deemed to relate to the Registration Statement and the Prospectus as amended or supplemented at such Representation Date).

(p) *Agent’s Counsel Legal Opinion.* On or prior to the date that the first Securities are sold pursuant to the terms of this Agreement, and within three (3) Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit F for which no waiver is applicable, the Agent shall have received such written opinion or opinions of Sullivan & Cromwell LLP, counsel to the Agent and the Alternative Placement Agents, dated as of such date, in form and substance satisfactory to the Agent, with respect to such matters as the Agent may reasonably request, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters; *provided, however*, that in lieu of such opinions for subsequent Representation Dates, counsel may furnish the Company with a Reliance Letter to the effect that the Company may rely on a prior opinion delivered under this Section 7(p) to the same extent as if it were dated the date of such letter (except that statements in such prior opinion shall be deemed to relate to the Registration Statement and the Prospectus as amended or supplemented at such Representation Date).

(q) *Comfort Letter.* On or prior to the date that the first Securities are sold pursuant to the terms of this Agreement, and within three (3) Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate in the form attached hereto as Exhibit F for which no waiver is applicable, the Company shall cause its independent accountants (and any other independent accountants whose report is included in the Registration Statement or the Prospectus) to furnish the Agent letters (the “Comfort Letters”), dated the date the Comfort Letter is delivered, in form and substance satisfactory to the Agent, (i) confirming that they are an independent registered public accounting firm within the meaning of the Securities Act, the Exchange Act and the Public Company Accounting Oversight Board, (ii) stating, as of such date, the conclusions and findings of such firm with respect to the financial information and other matters ordinarily covered by accountants’ “comfort letters” to underwriters in connection with registered public offerings (the first such letter, the “Initial Comfort Letter”) and (iii) updating the Initial Comfort Letter with any information that would have been included in the Initial Comfort Letter had it been given on such date and modified as necessary to relate to the Registration Statement and the Prospectus, as amended and supplemented to the date of such letter.

(r) *Market Activities.* The Company will not, directly or indirectly, (i) take any action designed to cause or result in, or that constitutes or might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities or (ii) sell, bid for, or purchase the Securities to be issued and sold pursuant to this Agreement, or pay anyone any compensation for soliciting purchases of the Securities to be issued and sold pursuant to this Agreement other than the Agent; *provided, however*, that the Company may bid for and purchase its Common Stock in accordance with Rule 10b-18 under the Exchange Act.

(s) *Securities Act and Exchange Act.* The Company will use its best efforts to comply with all requirements imposed upon it by the Securities Act and the Exchange Act as from time to time in force, so far as necessary to permit the continuance of sales of, or dealings in, the Placement Securities as contemplated by the provisions hereof and the Prospectus.

(t) *No Offer to Sell.* Other than a free writing prospectus (as defined in Rule 405 under the Securities Act) approved in advance in writing by the Company and the Agent in its capacity as principal or agent hereunder, the Company (including its agents and representatives, other than the Agent in its capacity as such) will not, directly or indirectly, make, use, prepare, authorize, approve or refer to any free writing prospectus relating to the Securities to be sold by the Agent as principal or agent hereunder.

(u) *Regulation M.* If the Company has reason to believe that the exemptive provisions set forth in Rule 101(c)(1) of Regulation M under the Exchange Act are not satisfied with respect to the Company or the Common Stock, it shall promptly notify the Agent and sales of the Placement Securities under this Agreement shall be suspended until that or other exemptive provisions have been satisfied in the judgment of each party.

(v) *REIT Treatment.* The Company will use its reasonable best efforts to enable the Company to continue to meet the requirements for qualification and taxation as a REIT under the Code for subsequent tax years that include any portion of the term of this Agreement, subject to any future determination by the Company's board of directors that it is no longer in the Company's best interests to qualify as a REIT.

(w) *Refusal to Purchase.* If, to the knowledge of the Company, all filings required by Rule 424 in connection with this offering shall not have been made or the representations in Section 5(a)(1) shall not be true and correct on the applicable Settlement Date, the Company will offer to any person who has agreed to purchase Securities from the Company as the result of an offer to purchase solicited by the Agent the right to refuse to purchase and pay for such Securities.

(x) *Proprietary Trading by the Agent.* The Company consents, to the extent permitted under the Securities Act and the Exchange Act, to the Agent trading in the Company's Common Stock for the Agent's own account and for the account of its clients at the same time as sales of Securities occur pursuant to this Agreement.

(y) *Trademarks.* Upon request of the Agent, the Company shall furnish, or cause to be furnished, to the Agent an electronic version of the Company's trademarks, servicemarks and corporate logo for use on the website, if any, operated by the Agent for the purpose of facilitating the on-line offering of the Securities (the "License"); *provided, however*, that the License shall be used solely for the purpose described above, is granted without any fee and may not be assigned or transferred.

(z) *Reservation of Securities.* The Company agrees to reserve and keep available sufficient shares of Common Stock to provide for the issuance, free of any preemptive rights, out of its authorized but unissued Common Stock, of the maximum aggregate value of Securities authorized for issuance by the Company's board of directors pursuant to the terms of this Agreement and the Alternative Equity Distribution Agreements.

SECTION 8. Payment of Expenses.

(a) *Expenses.* The Company covenants and agrees with the Agent that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of Company Counsel and the Company's accountants in connection with the registration of the Placement Securities under the Securities Act and all other expenses in connection with the preparation, printing, reproduction and filings of the Registration Statement, the Prospectus and any Issuer Free Writing Prospectus and the mailing and delivering of copies thereof to the Agent, (ii) the cost of printing or producing this Agreement, the Blue Sky Memorandum, closing documents (including any compilations thereof) and any other documents in connection with the offering, purchase, sale and delivery of the Placement Securities, (iii) all expenses in connection with the qualification of the Placement Securities for offering and sale under state securities laws as provided in Section 7(e) hereof, including the reasonable fees and disbursements of counsel for the Agent and the Alternative Placement Agents in connection with such qualification and in connection with the Blue Sky survey, (iv) all fees and expenses in connection with listing the Placement Securities on the NYSE, and any stock or transfer taxes and stamp or similar duties on the issuance and listing of the Placement Securities, (v) the filing fees incident to, and the fees and disbursements of counsel for the Agent in connection with, any required review by FINRA of the terms of the sale of the Placement Securities, (vi) the cost of preparing stock certificates, (vii) the cost and charges of any transfer agent or registrar, (viii) all other costs and expenses incident to the performance of the Company's obligations hereunder which are not otherwise specifically provided for in this Section and (ix) if Securities having an aggregate offering price of \$20,000,000 or more have not

been offered and sold under this Agreement and/or the Alternative Equity Distribution Agreements collectively by the twenty-four-month anniversary of this Agreement (or such earlier date at which the Company terminates this Agreement) (the “Determination Date”), the Company shall reimburse the Agent for all of its reasonable out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Agent incurred by the Agent and the Alternative Placement Agents in connection with the transactions contemplated by this Agreement (the “Expenses”); provided that the Company shall not be obligated to reimburse any Expenses pursuant to this Agreement and pursuant to the Alternative Equity Distribution Agreements in excess of \$150,000 in the aggregate. If such Expenses pursuant to this Agreement and the Alternative Equity Distribution Agreements are in excess of the \$150,000 limit of reimbursement, each Placement Agent under this Agreement and the Alternative Equity Distribution Agreements shall be reimbursed for its pro rata share (based on the aggregate offering price of Securities sold by each Placement Agent pursuant to this Agreement and/or the Alternative Equity Distribution Agreement as of the Determination Date) of up to \$150,000 of such Expenses. The Expenses shall be due and payable by the Company to the Agent within five (5) Business Days of the Determination Date.

(b) *Termination of Agreement.* If this Agreement is terminated by the Agent in accordance with the provisions of Section 9 or Section 13(a)(i) hereof, the Company shall reimburse the Agent for all of its Expenses in connection with the transactions contemplated by this Agreement, unless Securities having an aggregate offering price of \$20,000,000 or more have previously been offered and sold under this Agreement and/or the Alternative Equity Distribution Agreements; provided that the Company shall not be obligated to reimburse any Expenses pursuant to this Agreement and pursuant to the Alternative Equity Distribution Agreements in excess of \$150,000 in the aggregate.

SECTION 9. Conditions of the Agent’s Obligations. The obligations of the Agent hereunder with respect to a Placement will be subject, in its discretion, to the continuing accuracy and completeness of the representations and warranties of the Company contained in this Agreement or in certificates of any officer of the Company or any subsidiary of the Company delivered pursuant to the provisions hereof, to the performance by the Company of its covenants and other obligations hereunder, and to the following further conditions:

(a) *Effectiveness of Registration Statement.* The Registration Statement and any Rule 462(b) Registration Statement shall have become effective and shall be available for (i) all sales of Placement Securities issued pursuant to all prior Placement Notices (each as amended by a corresponding Acceptance, if applicable) and (ii) the sale of all Placement Securities contemplated to be issued by any Placement Notice (each as amended by a corresponding Acceptance, if applicable).

(b) *No Material Notices.* None of the following events shall have occurred and be continuing: (i) receipt by the Company or any of its subsidiaries of any request for additional information from the Commission or any other federal or state governmental authority during the period of effectiveness of the Registration Statement, the response to which would require any post-effective amendments or supplements to the Registration Statement or the Prospectus; (ii) the issuance by the Commission or any other federal or state governmental authority of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose; (iii) receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Placement Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; (iv) the occurrence of any event that makes any material statement made in the Registration Statement or the Prospectus, or any Issuer Free Writing Prospectus, or any material document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in the Registration Statement, related Prospectus, or any Issuer Free Writing Prospectus, or such documents so that, in the case of the Registration Statement, it will not contain any materially untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading and, that in the case of the Prospectus and any Issuer Free Writing Prospectus, it will not contain any materially untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(c) *No Misstatement or Material Omission.* The Agent shall not have advised the Company that the Registration Statement or Prospectus, or any Issuer Free Writing Prospectus, or any amendment or supplement thereto, contains an untrue statement of fact that in the Agent’s reasonable opinion is material, or omits to state a fact that in the Agent’s opinion is material and is required to be stated therein or is necessary to make the statements therein not misleading.

(d) *Material Changes*. Except as contemplated in the Prospectus, or disclosed in the Company's reports filed with the Commission, there shall not have been any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Company and its subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business.

(e) *Opinion of Counsel for Company*. The Agent shall have received the favorable opinion of Company Counsel, required to be delivered pursuant to Section 7(o) on or before the date on which such delivery of such opinion is required pursuant to Section 7(o).

(f) *Opinion of Counsel for Agent*. The Agent shall have received the favorable opinion of counsel to the Agent and the Alternative Placement Agents, required to be delivered pursuant to Section 7(p) on or before the date on which delivery of such certificate is required pursuant to Section 7(p).

(g) *Representation Certificate*. The Agent shall have received the certificate required to be delivered pursuant to Section 7(n) on or before the date on which delivery of such certificate is required pursuant to Section 7(n).

(h) *Accountants' Comfort Letter*. The Agent shall have received the Comfort Letter required to be delivered pursuant Section 7(q) on or before the date on which such delivery of such Comfort Letter is required pursuant to Section 7(q).

(i) *Approval for Listing*. The Placement Securities shall either have been (i) approved for listing on NYSE, subject only to notice of issuance, or (ii) the Company shall have filed an application for listing of the Placement Securities on NYSE at, or prior to, the issuance of any Placement Notice.

(j) *No Suspension*. Trading in the Securities shall not have been suspended on the NYSE.

(k) *Additional Documents*. On each date on which the Company is required to deliver a certificate pursuant to Section 7(n), counsel for the Agent shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, contained in this Agreement.

(l) *Securities Act Filings Made*. All filings with the Commission required by Rule 424 under the Securities Act to have been filed prior to the issuance of any Placement Notice hereunder shall have been made within the applicable time period prescribed for such filing by Rule 424.

(m) *Termination of Agreement*. If any condition specified in this Section 9 shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Agent by notice to the Company, and such termination shall be without liability of any party to any other party except as provided in Section 7 hereof and except that, in the case of any termination of this Agreement, Sections 5, 10, 11, 12 and 21 hereof shall survive such termination and remain in full force and effect.

SECTION 10. Indemnification.

(a) *Indemnification by the Company*. The Company will indemnify and hold harmless the Agent against any losses, claims, damages or liabilities, joint or several, to which the Agent may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or the Prospectus, any Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements

therein not misleading, and will reimburse the Agent for any legal or other expenses reasonably incurred by the Agent in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement or the Prospectus, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company by the Agent expressly for use therein, including the Agent Information.

(b) *Indemnification by the Agent.* The Agent will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or the Prospectus, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement or the Prospectus, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with written information furnished to the Company by the Agent expressly for use therein, including the Agent Information; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) *Actions against Parties; Notification.* Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

SECTION 11. Contribution. If the indemnification provided for in Section 10 hereof is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) thereof in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Agent on the other from the offering of the Securities. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under Section 10(c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Agent on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Agent on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the amount of any discount, commission

or other compensation to be paid by the Company to the Agent as calculated in accordance with the terms set forth in Exhibit C. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Agent on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Agent agree that it would not be just and equitable if contribution pursuant to this Section 11 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 11. The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this Section 11 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 11, the Agent shall not be required to contribute any amount in excess of the amount by which the total price at which the Securities sold by it exceeds the amount of any damages which the Agent has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Company under Section 10 hereof and this Section 11 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls the Agent within the meaning of the Securities Act and each broker-dealer affiliate of the Agent; and the obligations of the Agent under Section 10 hereof and this Section 11 shall be in addition to any liability which the Agent may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company (including any person who, with his or her consent, is named in the Registration Statement as about to become a director of the Company) and to each person, if any, who controls the Company within the meaning of the Securities Act.

SECTION 12. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company or any of its subsidiaries submitted pursuant hereto, shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of the Agent or controlling person, or by or on behalf of the Company, and shall survive delivery of the Securities to the Agent.

SECTION 13. Termination of Agreement.

(a) *Termination; General.* The Agent may terminate this Agreement, by notice to the Company, as hereinafter specified at any time (i) if there has been, since the time of execution of this Agreement or since the date as of which information is given in the Prospectus, any Material Adverse Effect, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Agent, impracticable or inadvisable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) if trading in the Placement Securities has been suspended or limited by the Commission or the NYSE, or if trading generally on the NYSE or the Nasdaq Global Market has been suspended or limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by order of the Commission, FINRA or any other governmental authority, or a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States or in Europe, or (iv) if a banking moratorium has been declared by either Federal or New York authorities.

(b) *Termination by the Company.* The Company shall have the right, by giving three (3) days' notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement.

(c) *Termination by the Agent.* The Agent shall have the right, by giving three (3) days' notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement.

(d) *Automatic Termination.* Unless earlier terminated pursuant to this Section 13, this Agreement shall automatically terminate upon the issuance and sale of all of the Placement Securities through the Agent or the Alternative Placement Agents on the terms and subject to the conditions set forth herein and in the Alternative Equity Distribution Agreements with an aggregate sale price equal to the Maximum Amount.

(e) *Continued Force and Effect.* This Agreement shall remain in full force and effect unless terminated pursuant to Sections 13(a), (b), (c), or (d) above or otherwise by mutual agreement of the parties.

(f) *Effectiveness of Termination.* Any termination of this Agreement shall be effective on the date specified in such notice of termination; *provided, however,* that such termination shall not be effective until the close of business on the date of receipt of such notice by the Agent or the Company, as the case may be. If such termination shall occur prior to the Settlement Date for any sale of Placement Securities, such Placement Securities shall settle in accordance with the provisions of this Agreement.

(g) *Liabilities.* If this Agreement is terminated pursuant to this Section 13, such termination shall be without liability of any party to any other party except as provided in Section 8 hereof, and except that, in the case of any termination of this Agreement, Section 5, Section 10, Section 11, Section 12, and Section 21 hereof shall survive such termination and remain in full force and effect.

SECTION 14. Notices. Except as otherwise provided in this Agreement, all notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Agent shall be directed to the Agent at []. Notices to the Company shall be directed to Terreno Realty Corporation, 101 Montgomery Street, Suite 200, San Francisco, CA 94104, fax no. 1-415-655-4599, Attention: Chief Financial Officer.

SECTION 15. Parties. This Agreement shall inure to the benefit of and be binding upon the Agent, the Company and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Agent, the Company and their respective successors and the controlling persons and officers and directors referred to in Sections 10 and 11 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Agent, the Company and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities from the Agent shall be deemed to be a successor by reason merely of such purchase.

SECTION 16. Adjustments for Stock Splits. The parties acknowledge and agree that all stock-related numbers contained in this Agreement shall be adjusted to take into account any stock split, stock dividend or similar event effected with respect to the Securities.

SECTION 17. Governing Law and Time. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. SPECIFIED TIMES OF DAY REFER TO NEW YORK CITY TIME.

Re: Securities Registered under Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as counsel to you in connection with your filing of a Registration Statement on Form S-3 (as amended or supplemented, the "Registration Statement") filed on February 9, 2018 with the Securities and Exchange Commission (the "Commission") pursuant to the Securities Act of 1933, as amended (the "Securities Act"), relating to the registration of the offering by Terreno Realty Corporation, a Maryland corporation (the "Company"), of any combination of securities of the types specified therein. The Registration Statement became effective upon filing with the Commission on February 9, 2018. Reference is made to our opinion letter dated February 9, 2018 and included as Exhibit 5.1 to the Registration Statement. We are delivering this supplemental opinion letter in connection with the prospectus supplement (the "Prospectus Supplement") filed on May 31, 2018 by the Company with the Commission pursuant to Rule 424 under the Securities Act. The Prospectus Supplement relates to the offering by the Company of up to \$250,000,000 of shares (the "Shares") of the Company's common stock, par value \$0.01 per share (the "Common Stock"), covered by the Registration Statement. The Shares are being offered and sold pursuant to Equity Distribution Agreements by and between the Company and each of KeyBanc Capital Markets Inc., Robert W. Baird & Co. Incorporated, BTIG, LLC, Goldman Sachs & Co. LLC, Jefferies LLC, JMP Securities LLC, MUFG Securities Americas Inc., Sandler O'Neill & Partners, L.P. and Stifel, Nicolaus & Company, Incorporated, as sales agents (the "Distribution Agreements").

We have reviewed such documents and made such examination of law as we have deemed appropriate to give the opinion set forth below. We have relied, without independent verification, on certificates of public officials and, as to matters of fact material to the opinion set forth below, on certificates of officers of the Company.

For purposes of the opinion set forth below, we have assumed that the Shares are issued for a price per share equal to or greater than the minimum price authorized by the Company's board of directors prior to the date hereof (the "Minimum Price") and, in the future, the Company will not take any action that causes the number of authorized shares available for issuance by the Company to be less than the number of then unissued Shares that may be issued for the Minimum Price.

The opinion set forth below is limited to the Maryland General Corporation Law.

Based on the foregoing, we are of the opinion that the Shares have been duly authorized and, when issued, delivered and paid for in accordance with the Distribution Agreements and in exchange for a price per share equal to or greater than the Minimum Price, will be validly issued, fully paid and nonassessable.
